KERMÉS

(outdoor festival)

to celebrate Hispanic & Latinx roots in Wheeling

Saturday, Oct 22nd
12pm-3pm
Outside the South Gym
Wheeling High School

All are welcome!

SCAN ME

Wheeling High School is proud to announce our first annual Hispanic/Latinx Heritage Month celebration *Celebrando nuestras raíces* with various school-wide events that promote the histories, richness and diversity of Hispanic/Latinx culture. We also aim to acknowledge the valuable contributions that Hispanic/Latinx people have provided to our society and school community.

This is a collaborative effort among students, staff and community members, and we hope that you participate in our events that include:

***Monday Movie(s):** highlighting cinema that features themes relevant in the lives of Hispanic/Latinx people.

***Tuesday Talk(s):** a series of panels of guest speakers that will discuss their experiences growing up Hispanic/Latinx and share wisdom as they navigate their career paths.

***Wheeling Wednesday(s):** an intentional effort to support local Hispanic/Latinx Businesses and participate in cultural activities hosted by WHS cultural clubs.

***Thursday Dress Days:** an opportunity to represent and show pride of Hispanic/Latinx Culture with clothing and/or accessories.

***Food Fridays:** an opportunity to buy a traditional treat to indulge while watching a cultural performance.

We end our celebrations with a culminating community event called a Kermés on Saturday, October 22nd at Wheeling High School. Please join us from 12 p.m. to 3 p.m. to enjoy food, listen to music, and gain invaluable resources provided by our community partners.
